The Gunnison Country Chamber of Commerce would like to invite you to participate in the High Octane Arts and Crafts Festival located in Legion Park in Gunnison Colorado.

This festival is visible to motorists on Highway 50, and runs simultaneously with the **Annual Gunnison Car Show**, where 300 plus car exhibitors participate in their annual "Show and Shine" event during that day.

Carvin' Up Colorado which is a Chain Saw Carving contest has been in the same park as the High Octane for the past 8 years. This year the organizers are expecting a record number of carvers and are planning a live auction on Saturday to draw more folks to our event!

2016 will be the 34th year this festival!
