There are lots of possibilities! We need "give-aways" (minimum 300-350) for the registration packets at the show - pens, key-chains, candy, discount coupons, brochures, etc. These can have your name or logo on them. If your cost for these items is \$200 or over, and the Car Show logo could be put on the item in addition to the business logo, this would be considered "major sponsorship". We like to get as many businesses and individuals involved as possible. It's good for the community and for the charities - which is ultimately what this show is all about.

I will donate (please list): \_\_\_\_\_
